Honorable John N. McMahon
Deputy Director Central Intelligence

Dear Mr McMahon

On behalf of the men and women of the 544th Strategic Intelligence Wing (SIW) thank you again for speaking at our Dining-In. All of the members of the mess and our guests enjoyed your talk very much. I don't recall ever hearing so many favorable comments on a Dining-In speech -- and I've attended approximately 25 Dining-Ins in my career!

We feel privileged that you accepted our invitation and shared our company during that evening, as well as for the briefings and tours. I hope you will find the wing montage and portrait pleasant reminders of your visit to the 544 SIW.

Sincerely

Mark A. Delaney
